

# Support Sonoma Sloth House: Empowering Conservation, Education, and Research

*Welcome to Sonoma Sloth House, where we are dedicated to the preservation of sloths, crocodilians, lemurs, kangaroos, various fish, and so much more through conservation, education, research, and therapy programs. Your support is crucial in helping us achieve our mission of safeguarding these unique animals and fostering connections between humans and wildlife.*

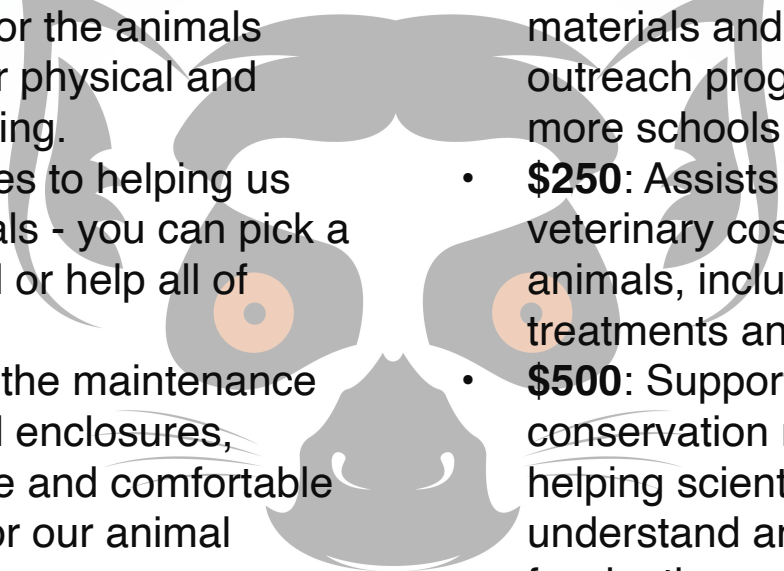

## WHY DONATE?

Your donation plays a pivotal role in advancing our multifaceted efforts:

- **Educational Outreach Programs:** By donating to Sonoma Sloth House, you directly contribute to our educational initiatives aimed at raising awareness about sloth conservation and biodiversity. Through engaging presentations and interactive experiences, we inspire individuals of all ages to become passionate advocates for wildlife protection.
- **Restricted Species Rescue:** Your support enables us to rescue and care for over 180 animals that are considered a 'restricted species' or exotic in California that is in need. Most cases we are the last form of hope. From providing essential medical care to creating enriching environments, we strive to give these animals a second chance at life.
- **Therapy Programs:** Sonoma Sloth House offers unique therapy programs that harness the healing power of animal interactions. Your donation helps fund these programs, providing individuals facing physical or emotional challenges with transformative experiences and emotional support through animal-assisted therapy sessions.
- **Sloth Conservation Research Projects:** We are committed to advancing sloth conservation through research initiatives aimed at better understanding their behavior, habitat requirements, and the threats they face. Your contribution supports our research projects, which contribute valuable insights to global conservation efforts.

## How Your Monthly Donation Helps:

- 
- **\$25:** Provides enrichment toys and activities for the animals promoting their physical and mental well-being.
  - **\$50:** Contributes to helping us feed our animals - you can pick a specific animal or help all of them!
  - **\$75:** Supports the maintenance of habitats and enclosures, ensuring a safe and comfortable environment for our animal residents.
  - **\$100:** Contributes to the development of educational materials and resources for outreach programs, reaching more schools and communities.
  - **\$250:** Assists in covering veterinary costs for rescued animals, including medical treatments and specialized care.
  - **\$500:** Supports sloth conservation research projects, helping scientists better understand and protect these fascinating creatures.

## How Your One-Time Donation Helps:

- **\$100-\$200:** Provides enrichment toys and activities for 1 animal for 1 month.
- **\$201-\$300:** Contributes to helping us feed our animals. As you can imagine this is a massive cost and this would help cover food for 1-3 animals for 1 week OR helps us visit a local children's hospital.
- **\$301-\$500:** Supports the maintenance of habitats and enclosures, ensuring a safe and comfortable environment for our animal residents as well as contribution's to building new ones.
- **\$501-\$800:** Assists in covering veterinary costs for rescued animals, including medical treatments and specialized care.
- **\$801-\$1000:** Supports sloth conservation research projects, helping scientists better understand and protect these fascinating creatures.
- **\$1000+:** Can be broken up between funds or allocated to a specific animal or project we have ongoing.

## Join Us in Making a Difference:

*Your donation, regardless of size, has a tangible impact on the lives of animals and humans alike. Together, we can continue to advance conservation, education, research, and therapy programs at Sonoma Sloth House.*
